

Simple Salsa Verde

What you need?

- Pestle Mortar or food processor
- sharp knife
- Chopping board
- Clean Jam jar or container for storage

Ingredients

- Fresh Coriander
- Jar of Jalapenos chilli

Method

1- There is no strict measurements for this. Depending on how chunky you like it. If using a food processor. Add both ingredients and a dash of the liquid from the jar of chilli's. Mix and serve store in a jar in fridge.

If using pestle and mortar chop chills up first then mash till your happy!
